# Bowling

NEWS

by HERB HAMMER.

Bowling is now well into the second half of the season. Just 11 more nights to bowl. Ninety games seem like a lot of games when the season starts, but they go by far too fast.

Monday night on 1 and 2, the El Rand boys took the odd game from the Elevators. Louie Sadecky did the heavy stick work for El Rand.

# MORS BAKERY

200 N. Dunton Ave. Arlington Heights

with 586, and Fred Kehe came through with 613 for Elevators. Fred's last five games in league have been over 200, which by the way isn't so bad. "Alex the Great" got the dollar with 234.

On 3 and 4 another closely contested match took place. Cafe again won the series, taking the first game by two pins, and the last game by a comfortable margin. "Ozzie" Nelson makes the headlines again with 633 and he also got the dollar on 226. "Extra" R-mo Becker got 604.

On 5 and 6 the Hammis whittled another game from Blatz's lead by beating them two games. There wasn't anybody hot, but the Hammis all shot consistently. Railroads on both teams is what kept the scores down, there being 45 on the two teams. J. D. got the "buck" on 211.

**CHRISTIAN SCIENCE CHURCHES**

"Life" was the subject of the

Lesson-Sermon in all Churches of

Christ, Scientist, on Sunday, Janu-

ary 15.

The Golden Text was: "In the way

of righteousness is life; and in the

pathway thereof there is no death"

(Proverbs 12:28).

Among the citations which com-

prised the Lesson-Sermon was the

following from the Bible: "In the

beginning was the Word, and the

Word was with God, and the Word

was God. In him was life; and the

life was the light of men" (John 1:

1, 4).

The Lesson-Sermon also in-

cluded the following passages from

the Christian Science textbook,

"Science and Health with Key to the

Scriptures," by Mary Baker Eddy:

"This is life eternal," says Jesus—

is, not shall be; and then he defines

everlasting life as a present knowl-

edge of his Father and of himself—

the knowledge of Love, Truth, and

Life. The Scriptures say, 'Man shall

not live by bread alone, but by every

word that proceedeth out of the

mouth of God,' showing that Truth

is the actual life of man" (p. 410).

**Purity of Soul More**

**Vital Than Racial Purity,**

**Lutheran Educator Says**

Racial purity is of less conse-

quence to human welfare than

purity of soul, Dr. Walter A.

Maier of Concordia Seminary de-

clared here Sunday, in his Sunday

afternoon east-to-coast Lutheran

Hour broadcast.

Recommending applied Christian-

ity as the only panacea for the bet-

terment of a "hate-filled world,"

Dr. Maier asserted modern attempts

at world improvement fail because

they are aimed at the comfort and

welfare of the body rather than

peace and exaltation of the soul.

Dr. Maier said international morali-

ty cannot be established at di-

plomatic round-tables, nor can in-

dividual virtue become a product

of the modern classroom. He

branded as futile the hope that the

test-tubes of science might offer

salvation from the trials of human

existence, or that racial egencies

## Local Women Attend District Woman's Club

An all day meeting of the 7th district Woman's club was held at the Calvin Park Presbyterian church in Chicago last Thursday afternoon, and was well attended by members of the local club, with about fifteen going in the cars of Mrs. Noyes and Mrs. Crumlish and Mrs. Glave.

Mrs. Charles B. Holton, district president, presided over the activities of the day, which proved to be the most worth while in every respect.

Some of the high lights of the day were as follows:

A talk by Dr. Clara G. Gottschalk, state chairman of public health for the State Federation, who told of the Cancer Control Fund and what it is accomplishing. The state federation has raised \$1,000, for the employment of a technician to work on nothing but cancer research in the University of Illinois laboratories.

Mr. J. Oren Weaver, better known to his radio audience as Buck Weaver, spoke on "Back Stage in Radio News." He told how news is prepared for broadcasting, on a minute's notice by careful advance preparation. The Midwest Woman's chorus under the direction of Mrs. Holtzberg entertained with some beautifully rendered numbers.

"Educating Youth for Good Citizenship" was the theme of a splendid talk by Mrs. Agatha Cavallo, dean of Women at the Herz Junior college in Chicago.

Mrs. Ed. J. Lehman, past president of the district and now the State Representative for the General Federation, spoke on "The Value of Being Federated."

The field secretary for the Allied Youth Movement, Mr. Leel B. Quinn, talked on "Allied Youth" and discussed the alcohol situation among the youth. He gave them the facts that is given to school children, on the effects of alcohol on the physical body.

Arlington Heights is fortunate in having three members of the local Woman's club as members of the 7th district board. Mrs. B. A. Noyes is second vice president; Mrs. O. B. Barrett is Education chairman and Mrs. Glave is a board member.

The Missionary society of the Methodist church met at the home of Mrs. A. D. Hines Monday evening. The topic for discussion was "American City and the Church." The hostess served refreshments.

## Twelve in Cast of St. John's Play

Young People's League of St. John Evangelical church gave a successful presentation of the comedy drama, "The Eighteen Carat Boob," last Thursday and Friday.

As most of the members of the play cast were making their debut in a play presentation, the successful performance of the same can be attributed to the expert coaching on the part of Miss Lillian Draper.

The following young people appeared in the play: Loraine Pingel, Evelyn Cavanaugh, Vernon Pingel, William Deering, Betty Vetter, Bernice Bencie, Norman Runge, Betty Lanham, Lawrence Pingel, Ruth Duenn, Clarence Schulte, and Herman Becker.

The Young People's League wishes to thank all who in some way or other helped to make this play a success, especially Lauterburg & Ochler, who were kind enough to donate the use of palms and chairs.

## Orchids Interest Garden Club

Arlington Heights Garden club was taken on a conducted tour through the orchid regions of tropical South American jungles by Mrs. R. J. Mohr, chief propagator of plants of the Garfield Park Conservatory at its meeting held in the north side school Wednesday evening, last week.

Mr. Mohr's talk included the details which are not generally known regarding the culture and habits of orchids, of which there are some 15,000 varieties. These are not all tropical types, many wild varieties being found in the jungles of European and North American forests. Tropical types are difficult to raise outside of their natural environment and require from five to seven years of careful handling and cultivation before they produce blooms. Fifty percent of the imported cuttings are usually lost in shipment. This explains why the cost of these fine flowers is high, although there is no cut flower that lasts longer than the orchid.

Mr. Mohr's talk was illustrated with several living plants and cut orchids, as well as many colored photographs of different varieties. His talk was entertaining to all his listeners.

## Fathers and Sons Banquet

At a recent meeting of the Friendly Circle of St. John Evangelical Church, it was decided to sponsor a Fathers and Sons Banquet, Wednesday, February 15, at 6:30 p. m. Tickets for this banquet are already on sale and can be had from any member of the Friendly Circle.

## 'History Makers' Is Speaker's Subject At Woman's Club

Arlington Heights Woman's club enjoyed an interesting program Wednesday afternoon. Mrs. Cecil Boman was the speaker, her subject, "Twentieth Century History Makers."

Mrs. Boman said that we should consider the age in which we live from the point of view of the future, and from that viewpoint this is a great and glorious age. There have been more great people exerting an influence in this early half of the twentieth century than in any similar period in recorded history. Her definition of great people is those are great people who make great changes in the world.

This is definitely an age of change and the speakers thought it might properly be called the Age of Icons. In the various fields of adventure, science, arts, philanthropy and national leadership she named outstanding characters who are breaking down the barriers of traditional feeling and thinking and giving the way to a better age, giving us the techniques which will make possible a golden age of living.

But, Mrs. Boman concluded, although history will record these names, we as individuals, are the real history makers in so far as we aid or hinder the progress of civilization.

### THE HOUSE IN A TREE

Oh! Once I lived in a tree, As free as the birds and the winds, whoopee! And I had a seat, and steps to go up, And something to drink from a shiny tin cup. On a sturdy twig I hung my pail And let it down by a string on the ball.

Sandwiches, cheese, and cookies for lunch— Funny things for a tree-boy to munch! My books I put on a swinging shelf With my tools and nails—I made it myself!

And I planted seeds and trailing things For a hanging garden just like the King's. When I stood up I could touch the sky— Almost, but a boy just has to try! Ho! said the clouds, Come take a ride, This way and that, with your arms spread wide!

The winds went by and said it was noon When they left the palms by the blue lagoon; The Tropic of Cancer, they said, was a street

Where the little Trades play and the waterspouts meet. That isn't geography out of a book And when I grow up I shall go and look!

But it's fun to learn all the things you can And high in a tree to dream and plan. I lived there a year or thereabout And never went in 'til the stars came out!

S'Amuser.

### 400 Boy Scouts Get Screen Parts

Four hundred selected Boy Scouts and a prize-winning Boy Scout 60-piece band will be seen and heard in Deanna Durbin's new Universal picture, "That Certain Age," which comes to the Arlington Theatre Sunday and Monday.

The Scouts will appear in an early sequence of the picture when Deanna solves a problem that has vexed Scout officials. She offers to stage a charity play for the benefit of two under-privileged troops.

Jackie Cooper, in these sequences of the picture, will appear as a Senior Patrol Leader.

The band will play several selections, including the new song, by McHugh and Adamson, "Be a Good Scout," which Deanna sings to its accompaniment.

In the Boy Scout troop will be the famous St. Brendan's Choristers, inducted into the Boy Scouts during production of "That Certain Age." The choristers consist of twenty boys ranging in age from eight to fourteen years. They have been heard often on national broadcasts, and in many motion pictures.

Notice is hereby given to all persons holding claims against the office of the Wheeling township highway commissioner that itemized claims against that department must be made within ten days from this date.

The cooperation of creditors will enable the new commissioner to start his duties with a clean slate and insure early payment of all past due claims.

### Men Of Fifty Take It Easy

By C. W. Lussman  
of Sieburg Pharmacy

Youth and optimism last through four or five decades. It is simple to burn the candle at both ends when one is bursting with energy and is full of vigorous drive.

At fifty, take a word of warning. Slow down a little. Regulate your life to more leisure. You are not old, but you are not young either. Life will be longer, sweeter, more productive, if you take it easy now.

Have a regular consultation with your doctor. Let him check heart and kidneys, blood pressure, arteries. Follow his advice to the letter.

If medication is required, take the prescription to a druggist as carefully selected as you picked the doctor. They work together for your health.

## Honolulu, Here I Come!

I shall always remember the amazing beauty of the palm bordered walk to Young's Hotel when I arrived in Honolulu. When we turned a corner and proceeded toward the mountain, a rainbow at the end of the street completed a beautiful picture. And I was to see a rainbow many times on the island, and often on this side of this mountain.

### Gold at the End of a Rainbow

One Sunday afternoon, as we sat in the Y. M. C. A. concert room, listening to a pre-veeper musical, accompanied by Mr. Cyrus Will Best, graduate of Oberlin Conservatory of Music in Illinois, I looked through the open french windows at great clouds hovering over the mountains nearby. Finally they came nearer and a fine mist blew into the room and then the rain— as though the heavens had opened.

The rain stopped suddenly and a magnificent rainbow bowed between the mountains. Later, driving up to the Pali, near the top of an extinct volcano, the hau (pronounced how) trees growing close to the road screened the deep ravines and the greatest jungle on the island, we rode right into a rainbow, through it and out in to the sunshine beyond.

You ask, "Is there gold at the end of the rainbow?" There is gold on this island, and a great deal of it—white gold—sugar. Many of our drives to various parts of the island were through the abundant growths of sugar cane. These plantations are beautiful; trim, no weeds, no dust, in fact the soil looks as though it is always damp. The irrigation ditches are usually cement lined and full of clear cold water. Sugar fields are always thirsty.

Careful planning, hard work, and millions of dollars spent on scientific research have made this Hawaii's greatest industry. Nearly a hundred million tons of sugar are shipped from the islands every year. Ala Moana Park.

During the visit of President Franklin Delano Roosevelt, one of the many interesting things he did was to dedicate the portals of the Ala Moana Park. It is located on the Waikiki section of Honolulu along the sea. Tennis courts, baseball fields, beautiful drives, beaches and tropical plants make this part of the city beautiful. From all parts of the island each Sunday, come thousands to enjoy a day in the open. Near the entrance is the Yacht Harbor and yachts from all parts of the world drop anchor here. This is two miles from the open sea, making this the safest yacht harbor in the world.

The new buildings and wharf in the park were all started by the city and county of Honolulu. In the past few months thousands of men have been working to complete this public work with the funds furnished by the C.W.A., the F.E.R.A., and the P.W.A. When completed the Ala Moana will be a public park not to be equalled in any

country. Waikiki Beach and Coral Reefs. Is the most talked about beach, and going across the country in September my train acquaintances who had traveled around the world said I would regret leaving Honolulu and this beach. They are correct, I regret that we have no water, no climate nor shore line like that in the Pacific. This name alone brings mental pictures of lazy, rolling surf, gaily hued bathing suits, beautiful women, robust men, surf riders hurtling at breakneck speed toward the shore, and canoes speeding in on the slope of a huge wave.

The Hawaiians are so graceful always and riding the surfboard is one of their many accomplishments in the water. Newly arrived people sometimes acquire skill in plotting the surfboard. On a moonlight night, the golden glow of a tropic moon, the faint strumming of ukuleles—falsetto voices singing an ancient chant—the lights of a sampan flickering out at sea—a fisherman with his torch of kukui nuts spearing dark creatures in the coral; all these are Waikiki's. In addition there is the most comfortable and uniform bathing temperature of any beach in the world.

Tides do not cause dangerous undertows, coral reefs curb the savagery of the waves, as well as provide a place for scorpions, octopus and sharks to stay. Occasionally whales come down from the north seas to calve. Japanese fish for octopus here and bring them into the fish markets for some people like this food.

My last evening was full of interesting and new adventures. The Hula given by a fine Hawaiian group of musicians under the enormous banyan tree at the Moana Hotel, and when search lights being played across the waters caused me to go to the shore line in time to see far away near this coral reef a line of battle ships moving slowly and majestically through the sea, and great splashes of golden yellow lights pouring out of the sides of these ships. I asked my escort about this, and was informed this was maneuvers, a sham battle between the army and the navy.

The army near Diamond, was firing at the moving fleet and the navy answering with their great cannons. Finally a small red and black vessel tore through the waters and I learned this was a submarine chaser. Our host, head of the Coast Guard of Honolulu, was called out of the theatre several times that evening to answer the questions of anxious landmen about these search lights.

The maneuvers did not last very long and the next day on the boat as I was returning to the mainland, I read that maneuvers between the army and the Navy had taken place a few miles away from Waikiki beach. I am sorry to admit, I do not remember this article stating which side won.

Fort De Russy, right on the

## Employers Told Possibilities of Double Taxation

All firms whose liability under the Illinois Unemployment Compensation Act may be in doubt were warned today by Director of Labor, Martin P. Durkin, to protect themselves against possible double taxation for job insurance by paying State contributions at once.

Only by so doing, Director Durkin explained, can they avoid paying both the Federal tax of 3 per cent and the State contribution of 2.7 per cent on their 1938 payrolls if subsequently their liability is definitely established.

"Firms that are in doubt as to their liability should mail a check in the amount of 2.7 per cent of their total 1938 payrolls to the Division of Unemployment Compensation, 222 North Bank Drive, Chicago, immediately," said Mr. Durkin. "They need not wait for proper forms. Merely make the check payable to the 'Director of Labor.' It must be received by the Division not later than January 30, 1939, if Federal offset credit is to be certified.

"If, subsequently, such firms are held not to be liable, the money will be refunded without question. But to protect themselves, even if liability is in doubt, payment should be made by January 30th. The 90 per cent offset credit on the Federal excise tax of 3 per cent will not be granted unless the State contribution on all wages payable during 1938 has been paid by that date."

# Mac Says

by GERALD A. MC ELROY

In our opinion the only thing that can keep Arlington from winning the lightweight championship this season is the fact that Lake Forest and Ela, the undefeated leaders of the league, are not on the schedule of Haye's Green Tornadoes. The way the Arlington boys have been crushing their opponents since that lone overtime defeat at Niles makes one think the team is rightly named.

With two regulars out of action Friday, including Busse the leading scorer, the boys in green romped over Leyden 48-16. It is our opinion that to meet Barrington, Palatine, Libertyville, and Leyden, but none appear capable of giving the Hayes coached squad a close tussle. We believe they will finish the season in first place.

## WARREN UNDEFEATED

Friday's results left Warren all alone at the top of the heavyweight division. The Blue Devils have yet to meet Libertyville, Grant, Antioch, and Wauconda. It is our opinion that either Libertyville or Wauconda will upset Warren. The Libertyville game is this week and the one with Wauconda the final night of the season. Palatine and Niles, the only teams with but one loss, must now fight hard to stave off another defeat in hopes of getting a share of the title should Keaton's boys meet defeat. From now on the real pressure is on Warren.

## FINE BASKET SHOOTING

We believe that Barrington's shot record of 12 out of 30 in Friday's game is something like a record in the conference for accurate marksmanship. It was on the same weekend last year that Barrington dimmed Palatine's title aspirations by some very torrid shooting in which one forward scored 21 points. In years Palatine took the first game of the home and home series, but the Bronchos, slower in reaching peak form, took the return engagement.

## A SCANDINAVIAN HOLIDAY

Sunday we saw the big ski jumping meet at Cary. There were plenty of thrills and spills and some good jumping but the marks were not up to those of the past two years due to poorer conditions on the slide. As in so many years past, snow had to be imported and this year 10 car loads came from Eagle River, Wisconsin. The best jumpers in the country annually compete in the Norge club meet as well as some good foreign talent and it is a chance to see the ski sport at its best.

## Shorts From Here And There ...

In a recent game, Gleason of the Ela lightweights scored 14 of his team's 17 points in beating Barrington 17-16. Included in the total was the winning basket made in the last five seconds.

Barrington's junior high team has lost only one game this year and that a 16-15 defeat to the Abbott school of Elgin.

P. E. Belting, state high school visitor and assistant state superintendent, recently gave highest praise to the Niles Township high school principal and board for the wonderful new building and equipment under construction there. Niles will have one of the finest school plants in the country for a community of its size according to the authorities. The gym will soon be completed and the Niles team will get a chance to play in it early next month.

Otto Graham, Waukegan basketball ace, who was named on the first all state team last year, will conclude his prep career next week with the midyear graduation. Graham set a Suburban League scoring record of 168 points in 12 games last season. This year, Graham has averaged 11.3 points a game. Graham's father is a member of the Waukegan faculty as band director.

Hampshire high school won their 13th straight victory of the season on Friday the 13th last week.

The Hager Pottery five of Dundee which is made up of former school stars from that red hot cage town defeated last week's semi-pro Moose team of Waukegan last week 37-35. The week before they had been beaten 55-34 by the Smith-Dawson team of Arlington Heights.

Coach Sam Marzullo's main high school swimmers won their sixth straight dual meet last week, defeating Roosevelt of Chicago 50-22. The other side of the picture shows the cage teams coached by Sturges and Rogers holding down the cellar positions in both divisions of the West Suburban league.

Friday the 13th, which saw Palatine suffer their first Northwest conference defeat also brought the first loss to Glenbard, the leader of the West Suburban circuit.

Dundee, breezing through their fourth straight undefeated season in the little seven conference, recently ran up a 75-13 count on one of their league neighbors. The following night de Lacey's State Champs took Highland Park 51-43. Saturday, January 21, they play a return game at Highland Park with Chuck Lauer's strong five.

Palatine's record Friday of making 9 out of 12 free throws was one of the best this season in the N. W. conference.

Notre Dame scored 22 out of 24 free throws in beating Kentucky 42-37 last Saturday. The same night Illinois hit 9 out of 11 attempts to help in beating Chicago.

## 'Broncs' Buck, Pirates Topple From Lead

### First Loss To Palatine In Spite Of Sensational Rally

Palatine put on a sensational last period rally Friday night, but fell one point short of overtaking the accurate shooting Barrington Bronchos. The 26-25 defeat was the first conference loss for the Pirates dropping them into a tie with Niles for second place.

Neither team took many shots at the basket, due to the fact that the game was rough and there was much close guarding on both sides. At times in the first half there were four and five boys on the floor fighting for the ball at a time. Barrington's basket shooting was the best seen on the Palatine court in the last 10 years. The Bronchos hit an even 40 percent of the field goal attempts making 12 out of 30 and only two goals were from a point inside the 17 foot line. The Pirates made eight out of 41.

Barrington took the lead at the beginning of the game and held a 7-3 margin at the quarter and 12-6 at the half. Palatine made two out of 17 shots while Barrington hit five out of 16 in the first half.

**Stage Scoring**—Both teams calmed down a bit in the second half and after Palatine had taken eight unsuccessful short shots without hitting, the Bronchos went on a scoring spree which left the Palatine fans stunned. Inside of four minutes Warren and Herren of the visitors sank three goals each to run up a lead of 24-12 starting the last period. In the third quarter Barrington made six out of 10 shots at the basket and none were setups.

Palatine shifted to a rushing man for man defense in the last 10 minutes of the game which proved effective to the extent of 13 points to Barrington's two. The Pirates had the Bronchos on the run at the finish and the gun barely saved Barrington from defeat. Palatine made all seven free throw attempts in the last half and had nine out of 12 for the game.

Watson with 12 points and Herren with six led the Bronchos at the half. Hahnfeld scored seven and Hollinger and Stewart each made five for the losers.

### Palatine Holds Dundee Champs to 42-30 Score In Practice Game

Dundee defeated the Palatine Pirates Tuesday afternoon 42-30. Palatine played one of their best games of the season in shooting as well as passing. Fink led the Pirates attack with seven field goals of which six were made in the second half. Palatine hit 14 goals in 37 shots. Dundee made 21 out of 84. Neither team attempted a shot from more than 20 feet out. Schumacher, who was a member of last year's state champ five, and Eichler, each scored five goals for the fast Dundee Cardinals.

### Warren Wins Sixth Straight For Lead In Conference Race

Warren continued to lead the way in the Northwest conference by trouncing Grant high 43-30 at Fox Lake Friday for the Blue Devils' sixth straight league victory. The winners' attack was led by McCann who connected for 15 points. Nelson and Anderson scored eight apiece to help the Warren cause. Barth with 10 points and Koch with eight were Grant's best point getters.

The Grant lights won the preliminary 26-16. Gerstene made eight points for Grant and Keaton, son of Warren's heavyweight coach, led the Warren team with six points.

### Marriage Licenses

Andrew Schmidt, 24 and Audrey Goherville, 20, both of Niles Center. Neil Kingsnorth, Oak Park, and Louise Thompson, Park Ridge.

Anthony F. Jemmetten, 25, and Pauline Hovley, 25, both Niles Center.

Ray H. Cole, 35, Mt. Prospect, and Erna Scharringhausen, 32, Mt. Prospect.

A marriage license has been issued in Clinton, Ia., to Wilbur Sunderlage, of Roselle, and Juanita Jones, of Elgin.

A marriage license has been issued in Waukegan to Harold August, 26, of Northbrook, and Leona Slack, 24, of Highland Park.

Dickson, Wauconda's big six foot two inch center who weighs 220 pounds, is establishing himself as one of the best pivot men in the conference. He has scored 44 points, and like most of Herrmann's team, has another year of competition. Wauconda's fine showing this year stamps them as a title threat for the 1939-40 season.

## Roselle Upsets Itasca

### Cellar Team Wins Over 1st Half Runner-Up To Open Schedule

By ALBERT BRODAN

Roselle played its best game of the year to beat Itasca 35-29 in the Lutheran Basketball second half supreme last week-end.

The first half Shaw kept Roselle in the ball game, in the second half the Dierking brothers went to work to score 11 points. A. Freise played a swell game on defense and offense, scoring two baskets in the closing minutes.

If Roselle looks like they will be a contender for first place in the second round, Albert again let Itasca in, scoring with 12 points. Elbert, although one of the smallest players in the league, is one of the most valuable.

Corpenstedt and Elmer Menching played good ball for Itasca. Palatine Wins Overtime

With ten seconds left of the game and back Ridge leading 19-17, Red Helms sank a long shot from the back of the center, to tie up the game. In the overtime Helms again connected with a long shot to give them the game 21-19. Brunger led Park Ridge's attack with ten points. R. Brandt stayed right with him with 9 points.

**Des Plaines Has Score**

Des Plaines first round "champs" beat Glenview in the overtime 26-23 after Glenview led for three quarters. Ladendorf and Katschuck led Des Plaines attack. Des Plaines played ragged ball for three quarters, but found their stride in the last. Meyer Brothers played nice ball for Glenview, scoring 20 points. Mailback, a new guard for Glenview, played a good defensive game.

**Arlington Easy Victor**

Arlington beat River Grove 57-24. Laske was high with 18 points and "Red" Weisgerber ran second with 15 points. Arlington team looked better on offense than it ever did, but their defense can stand improvement. E. Fich was the high point man for River Grove with 8 points.

P. Meyer sank a free throw with ten seconds left to beat Norwood Park 35-34. A. Bacter, a six foot center for Glenview, was the star with 16 points. Paul Meyer ran second with 13 points. Wally and Steve Fill led the attack for Norwood Park with 25 points between the two. Colburn made Norwood Park look good defensively.

**RESULTS OF GAMES LAST WEEK**

Palatine 21, Park Ridge 19.  
Des Plaines 26, Glenview 23.

**Ela Finds Basket Eye, Beats Northbrook, 33-13**

Northbrook split a double bill with Ela Friday night. The Northbrook lights defeated the visitors 12-11, while Ela's heavies had a really "hot" night to swamp their opponents 33-13.

Schroeder and Knigge, Ela veterans, scored 29 of their team's 33 points with a lot of sensational shooting. These boys got all of Ela's field goals, Northbrook made but five field goals in 53 attempts.

## Arlington Loses 27-25 To Leyden

### Cardinals Lose Game At Free Throw Line

It was the same old story in the Arlington-Leyden basketball game last Friday. Arlington failed to hit, the Leyden "Eagles" were quite hot, so the game went to the visitors 27-25. As usual, Arlington kept the air full of basket attempts, but the lid was still on.

The game was even up so far as field goals were concerned at ten each, but Leyden had more chances from the gratis line and thereby managed to keep out in front. At this phase of the game, Arlington's average was the better, chucking in 5 out of 11 attempts to 7 out of 21 by Leyden. Leyden Height Advantage

The two long, lean, lanky Doss brothers plus a firebrand by the name of Liebbe, were just too fortunate for Arlington. Capitalizing in their height under the basket, he Doss boys got five baskets between them. Two or three boys ups on the part of Arlington's defense permitted a couple of easy baskets and these were just enough to cost the Cardinals a victory.

Arlington started out well and ed 5-0 before their usual fade-out. Here Arlington's attempts started missing and the team began to be panic stricken. Again chucking the ball around and losing it to Leyden, they soon were trailing 18-8. From this point on, they rallied gamely and gradually whittled away at the Leyden lead, but the game was just too short for them.

**Becker Most Improved**

Schulenberg and Mayerck led Arlington's scoring, but Becker's general all around play featured for the Cardinals. Becker is the most improved player on the Arlington squad and is really earning his spurs this year. Hull and O'Hagan collaborated to keep Ley-

den's shots down to a minimum, but were too short to handle the rebounds.

Leyden scored four goals the first quarter, three the second, two the third and one in the last out of a total of 36 shots for 28%. Arlington connected for four, two, two and two for a total of ten goals out of an even 70 shots for 14%. Mayerck, with 18 tries and Eddie Schulenberg with 24, totaling 42 attempts had more tries than the entire Leyden team, but their average was way off.

**Tornadoes Drown Leyden**

The Green Tornadoes turned loose a storm of baskets from all over the court and buried Leyden's lightweights 48 to 16 last Friday.

Untroubled by the fact that three of the Arlington regulars were unable to play, the boys played with determination and coolness. They hit five of their first six shots from the floor, all of them setups. Refusing to let up, though leading 16-2 at the quarter, they went on to a score of 27-3 at the half and 42-6 at the third quarter. Less experienced boys on both teams finished the game, with Arlington outscoring Leyden 6-4 in the fourth quarter. Leyden was completely stopped throughout the game by the more experienced Arlington team.

Honors among the Tornadoes were well-divided. Osefelen led the scoring with sixteen points, thirteen of which came in the third quarter. Two more of his baskets were nullified by traveling penalties. Miller got ten points, Thomas and Bubitz six each. Several of the boys turned in superb floor play. It would be unfair to single out one or two for special mention.

Smith-Dawson boys have their work cut out for them, if they would be gentlemanly they will have to permit the young ladies to shoot during their period of play, on the other hand it takes basketball ability of the type they displayed against Dundee to hold the men in check.

Last week being off their feed the Smith-Dawson boys dropped a game to a team far from their equal.

Karstens Mortician girls will open this card against the Emerson "Y" colored girls of Evanston at 8 p. m.

## Niles Two Sharpshooters Net 29 Points To Beat Lake Forest, 44-25

Niles ran wild in the third quarter to turn a close contest into a rout as the Trojans whipped a foe. Lake Forest five 44-25 last Friday. The long lay off from conference competition did not seem to have any bad effects upon the shooting eyes of the Trojan stars, Lyle and Boyk. This pair scored 29 points, Eby getting 13 and Boyk 16. Cascarano with eight points was high for the Scouts.

Lake Forest lights remained in a tie with unbeaten Ela at the head of the parade by outlasting a final period rally to win 24-22. The Gold Coasters had a 21-13 lead starting the final quarter. Podrazz scored 12 for Niles and Gilroy eight for the Lakers.

# National Speakers to Appear On Town Meeting Program

**Barrington Invites  
Neighbors To Attend  
Jan. 22 to Feb. 4**

The town of Barrington is trying out a Town-Warming Plan which, it is reported, will be a combination of the early American town meeting and the old time religious revival. Meetings will be held nightly for about two weeks in the high school auditorium at 7:45 p. m., and there will be addresses by some of the outstanding leaders of thought in America.

The purpose of the meetings is to bring together the people of Barrington and surrounding communities and offer the opportunity to listen to discussion of problems and subjects of interest to everyone. The meetings will be non-sectarian and non-partisan and there will be no admission charge.

**Speakers and Subjects**  
The following is an agenda of the Barrington Town-Warming meetings from January 22 to February 4:

Sunday, Jan. 22: Dr. Allen A. Stockdale, minister, educator and

lecturer. Subject: Making Spiritual History.  
Monday, Jan. 23: Count Ernesto Russo, philosopher, lecturer and humorist. Subject: America As I Find It.

Tuesday, Jan. 24: Dr. Preston Bradley, minister, lecturer and author. Subject: The Romance of Life.

Wednesday, Jan. 25: Boake Carter, radio commentator, newspaper columnist and lecturer. Subject: Free Speech on the News.

Thursday, Jan. 26: Dr. Edgar De Witt Jones, religious leader, author and orator. Subject: Adventures Among Great Americans.

Friday, January 27: H. V. Kallenborn, radio commentator and authority on world affairs. Subject: Looking At Europe from Here.

Saturday, Jan. 28: Dr. Ruth Alexander, lecturer, musician, home-maker and economist. Subject: Religion as a Force in Government.

Sunday, Jan. 29: Hon. Arthur Hyde, former cabinet member and former Governor of Missouri. Subject: Liberty.

Monday, Jan. 30: Mark Sullivan, columnist, author and international-

# OBITUARIES

## CHARLES TEDRAHN

Charles Tedrahn, 74 years old, a resident of DuPage county for more than 60 years, died in the Geneva Community hospital Friday morning after a six-month illness. Mr. Tedrahn, who resided at 312 S. West st., Wheaton, had been a patient at the hospital for three weeks.

Born in Germany August 24, 1864, Mr. Tedrahn came to the United States with his parents when he was a boy. He resided in Cloverdale for 35 years and had been a resident of Wheaton since 1913. He was engaged in the grocery business before his retirement.

Besides the widow, Mrs. Emma Tedrahn, he is survived by two sons, Walter of Cloverdale and the Rev. Carl Tedrahn of Forest Park; a brother, Henry Tedrahn of Elmhurst, and a sister, residing in Chicago.

Funeral services were held at 2 o'clock Sunday afternoon at St. John's Lutheran church in Wheaton.

**WILLIAM HUGO, Sr.**

William Hugo, Sr., was born in Berlin, Germany in the year 1851. When he was 8 years old he came with his family to America where they arrived at New York in 1859.

In 1876 he united in holy matrimony with Miss Charlotte Schultz and the young couple came to Arlington Heights where for several years he was foreman on the Edkin Farm. Eighteen children were born into their family circle, 10 of whom are still living. In 1898 he suffered the loss of his wife in death. Two years later he married Mrs. Helen Muller, who also preceded him in death in 1911. He was married to his present wife, Mrs. Anna Kaminski Hugo in February, 1912.

Mr. Hugo farmed in the Arlington area the greater part of his life. After leaving the Edkin farm he rented the Kennelwood farm for 22 years, then he moved to the Persimmon farm which he worked for 15 years, until the time of his retirement when he went to South Chicago where he lived until the time of his death.

He passed away at his home after a brief illness on January 9, at the age of 88 years.

Funeral services were held on

Wednesday, January 11, in a So. Chicago Chapel and a brief ceremony was held at the Arlington Heights English cemetery where interment was made.

He leaves to mourn his going, his wife, Mrs. Anna, two children, Walter, 30, and Lois, 28, both of whom are married. He is also survived by 32 grandchildren, 13 great grandchildren and many friends.

## MRS. W. GARLICK

Mrs. Hilda Garlick, nee Domkowski, wife of Walter Garlick, passed away in a Chicago hospital, Wednesday morning, January 11, 1939, at the age of 25 years and 24 days. She was born December 17, 1913, in Palatine township, Ill.

On June 4, 1933, she was united in marriage to Mr. Walter Garlick at Elgin, Ill.

She leaves to mourn her departure, her loving husband, Mr. Walter Garlick, and three children, Walter, 10, Lois, 8, and Elsie, 6, all of whom are living.

Funeral services were held at 1:30 p. m. at 414 N. Dwyer st., Arlington Heights, and at 2:00 p. m. at St. Peter's Lutheran church, Rev. Fricke and Rev. Noack officiating; funeral arrangements by Karstner; interment was in Hill-side cemetery, Palatine.

**LOUISE FRANZEN**

Mrs. Louise Sophie Christiana Franzen, nee Pieper, was born on April 9, 1875 in Wood Dale, Addison township. She was baptized by Pastor Ph. Albert of Immanuel Evangelical church on July 11, 1875.

During her confirmation instruction she lived with her grandparents in Bloomingdale. At the Evangelical St. Paul's church, she was confirmed by Pastor M. Roess.

On April 9, 1896 Holy Matrimony united her with Hermann Johann Franzen of Wood Dale. The ceremony was performed in the home of her parents, Pastor J. H. Flier, conducted the service. Four children were born to this union, three of whom survive. Elmer died at the age of 2 years on November 11, 1902.

The deceased sister was a woman with many truly Christian virtues and sterling qualities of character. Everyone who knew her, loved her, she lived in her community a real Christian life.

During her married life of 17 years she was a devoted companion to her husband and a loving mother to her children. For over 40 years she was a faithful member of our church, and was held in the highest esteem by all of its members. As the treasurer of the Ladies' Aid society, she gave unselfish service for 31 years, the Society mourns her loss deeply.

Mrs. Louise Franzen departed this early life Tuesday, January 10, in the early morning hour. Her sudden death was caused by an heart attack. She reached an age of 63 years, 9 months, 3 days.

The departed is survived by her mourning sons and daughters, Mrs. Esther Rosenwinkel, Mr. Adolf Rosenwinkel, Mr. Edgar Franzen, Mr. Stanley Franzen, Mrs. Francis Franzen; three grandchildren; her sister, Mrs. Amanda Churchill; three brothers-in-law; one sister-in-law. A loyal member of the family, Mr. August Dallmeier and many true and devoted friends mourn her loss.

Servant of God, well done; Thy glorious warfare's past, The battle's fought, the race is won, And thou art crowned at last.

Services in German and English were held at Immanuel's Evangelical church Saturday, with the Rev. Chartron officiating. Body was laid to rest in Immanuel's church cemetery.

**IN MEMORIAM**  
In loving memory of Barney Doherty, who passed away one year ago, January 23, 1938. One year has passed with hearts apart.

The wound has never healed; The pain has never left our hearts, Since your lips in death were sealed. Sleep on dear father in your beautiful home of rest.

For God will call for us to meet you when he thinks it best. Loving Wife and Children

## Arlington Masons Conduct Services Over Remains of H. Behrel

Arlington Heights Lodge No. 1162 A. F. & A. M. conducted funeral service at a Chicago chapel Tuesday afternoon over the remains of Hugo Behrel, late of 446 S. State rd., Arlington Heights, who died Saturday morning. Interment was in Montrose.

Mr. Behrel became ill with a cold Thursday, which developed into pneumonia, causing his death two days later. Deceased had resided in Arlington Heights nearly fifteen years.

He leaves a wife, Katherine, son, Herbert, of Des Plaines; two brothers, Harry of Chicago and Roy of Downers Grove and one sister, Caroline, of Chicago.

Hugo Behrel was born in Chicago September 10, 1879. He engaged in the upholstery business and in recent years operated his own shop in Arlington Heights. He married Miss Katherine Annen, of Chicago in 1902.

# Here's a HOT number for COLD winter days

EYE OPENER! With all its extra value, this Buick sedan lists at \$51 less than a year ago!

**NO OTHER CAR IN THE WORLD HAS ALL THESE FEATURES**  
★ DYNAFLASH VALVE-IN-HEAD STRAIGHT-EIGHT ENGINE ★ BUICK TORQUE-FREE SPRING ★ GREATER VISIBILITY ★ HANDSHIFTS TRANSMISSION ★ ROOMIER UNISTEEL BODY BY FISHER ★ TORQUE-TUBE DRIVE ★ TIPTOE HYDRAULIC BRAKES ★ CROWN SPRING CLUTCH ★ "CATWALK-COOLING" ★ OPTIONAL REAR AXLE GEAR RATIO ★ FLASH-WAY DIRECTION SIGNAL ★ SELF-BANKING KNEE-ACTION FRONT SPRING

TAKE it out on a clear, crisp day when the frost nips through the sunshine and there's tingle in the air!

Put it up against a long pull—a brief, brisk dash—a twisting, winding trail!

We want to show you, mister, how much fun winter could be—if only you had a Buick to make your going sure and carefree!

You'll press on the treadle—and find the thrill of the ski-run in the burst of ready power from the barely whispering, great eight engine.

You'll swing around a curve—and find the poised sureness of the figure-skater in the way this Buick answers,

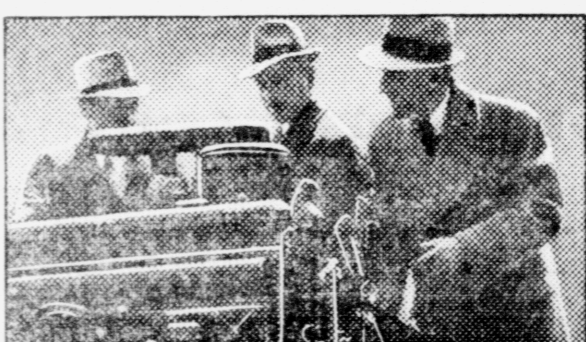

even on winter's slippery roads. You'll brace yourself for a rut or bump—only to discover that Buick's springing has already ironed it out. You'll look out over the wide horizon—and know winter's beauties better through windows that let you see!

In short, you'll have fun! All-winter fun! Fun unspoiled by the fussing and fretting it takes to keep an old car running.

You'll start when you want to start, stop when you want to stop. You'll have a car that's new, and fit, and sound; batteries, brakes, engine, tires—they'll all be at their best at the time you need them most!

Why not enjoy this winter for a change? This Buick, you know, is easy to buy—costs less than a year ago, less than you'd expect, less even than some sixes.

And, we might add, it's easier to get deliveries now than it will be later when the rush is on. We hope we'll be seeing you—very, very soon!

ABLEST OF THE EIGHTS is this mighty Buick Dynaflex V-eight—Head Straight Eight, with a valve in each cylinder to squeeze full power from every drop of fuel.
